## MESSAGE FROM OUR CHAIRPERSON

Dear Neighbours,

What an exciting year 2024 was! And 2025 is just going to get better. I want to extend my heartfelt gratitude to all the residents who have come together and contributed to building a closer and safer neighbourhood. We've accomplished so much together; from beautification projects, to enhancing safety measures and creating wonderful memories at our community events.

We are launching several initiatives to improve our area, from park projects to security initiatives and the camera project. But we can't do it alone – we need your help! Your skills, ideas, and enthusiasm are crucial in making our community the best it can be.

Whether it's volunteering a few hours of your time, sharing your expertise, or simply supporting our efforts, every little bit helps. Let us come together and make a real difference. When we work together, we can create a neighbourhood we are all proud to call home.

Thank you for your continued support and commitment to our community.

Warm regards,

Irvin Sammons
